## Retrofitmogelijkheden

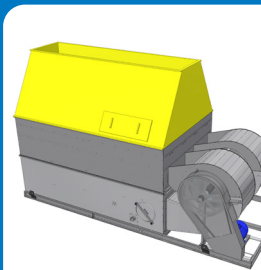

Hoge temperatuursuitvoering

Stalen druppelvangers

Overmaatse motor

Uitblaasplenum

Verbeter onderhoud en toegankelijkheid

Verbeter operationele veiligheid

Geluidsreductie

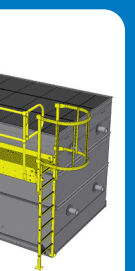

Bespaar water

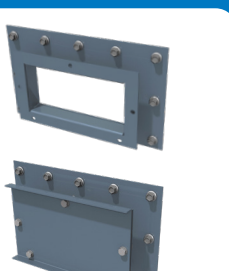

Bespaar energie en verbeter prestatie

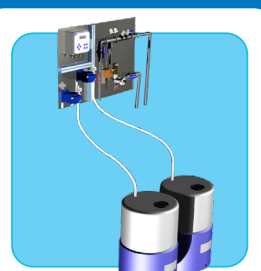

Verbeter betrouwbaarheid

Toegangsplatform op hoog niveau

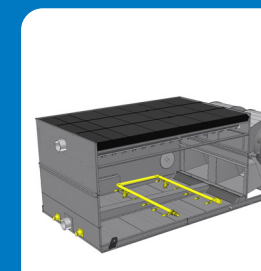

Reinigingsluik

BCP automatische spuiconrole

Deeltjesafscheider

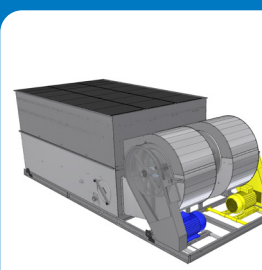

Wateragitatiesysteem

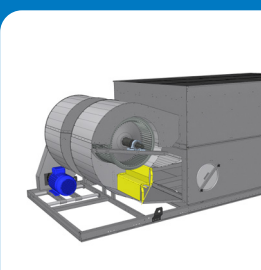

Pluimvermindersbatterij

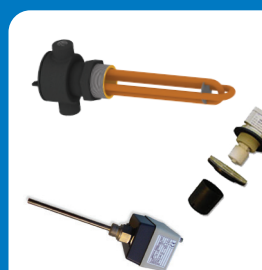

Inlaat- en uitblaasdemping

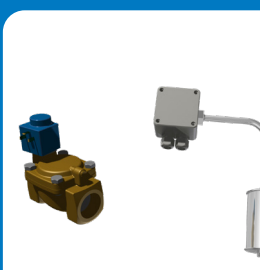

Baltiguard (standby motor & motorbasis)

Terugslagkleppen

Verwarmingspakket

Pakket voor elektrische waterniveauregeling
