

Open cooling towers

Options and accessories

Platforms, ladders, safety cage and handrail

Platforms, a ladder, safety cage and handrails facilitate **easier and safer access** to the top level of the unit, making inspection and maintenance easier and conforming to European safety standards.

Installed platforms

- help you comply with local safety regulations
- prevent accidental risks during inspection and maintenance of your cooling tower
- facilitate the inspection and maintenance of your cooling tower

Want to extend your cooling tower with these options for easier and safer inspection? Contact your [local BAC representative](#) for more information.
