

Platforms, ladders, safety cage and handrainsers

Options and accessories

Platforms, ladders, safety cage and handrail

Platforms, a ladder, safety cage and handrails facilitate easier and safer access to the top level of the unit, making inspection and maintenance easier and conforming to European safety standards.

- help you comply with local safety regulations
- · prevent accidental risks during inspection and maintenance of your condenser
- facilitate the inspection and maintenance of your condenser

Want to extend your condenser with these options for easier and safer inspection? Contact your <u>local</u> BAC representative for more information.
